

CLASSIC DAYS - April 30th and May 1st, 2011 A successful challenge!

After a 2010 edition marked by numbers (1 137 cars, more than 70 exhibitors, nearly 20 000 spectators), Classic Days continue their ascent.

It is therefore natural that we are back in force for a fourth edition, with the theme : **passion**, with even more cars, more different from each other; **pleasure**, with strong moments and a varied program; and naturally the key word of the Classic Days: **friendliness!**

In the 2011 program, you will find : free driving sessions on the F1 track, rally, exhibitions of vehicles, trade village, demonstrations of F1, protos, pre-war cars... and the famous parade.

In addition to the usual program, there will be anniversaries of all kinds, with as main theme:

The 50th anniversary of Magny-Cours Circuit

Inaugurated on May 27th, 1961, we will celebrate the fiftieth anniversary of this circuit at the unique history in French motorsport. Many celebrities will join us for this occasion.

2011 is also : **the Chevrolet Centenary, the 50th anniversary of the Jaguar Type E, the 50th anniversary of the Triumph TR4, the 50th anniversary of the Simca 1000 ...**

Thanks to the clubs concerned, we expect beautiful gatherings to celebrate these anniversaries as intended.

Passionate public or novice, amazing car or popular, rare or common, track racer or road driver, with family or friends... the Classic Days are made for evryone, so mark your calendar for 2011 !
