

Magny-Cours
LE CIRCUIT

First gamble paid off, Second edition announced!

Following the success of the first edition in Magny-Cours, with about 10 000 spectators, 200 participants, 40 exhibitors and 400 car lovers who chose to join us in "old" car, Classic Days, the new great event of the historic car, is already preparing its next meeting for 2009.

M3 and the company managing the Magny-Cours circuit propose a new occasion to have a lot of fun around these little jewels, in a unique framework and in a convivial atmosphere.

Save the date!
