Symbolic homage for the second edition of the Classic Days

Among the big faces of the car and in motorsport particularly, it is one of the most discreet, the most retiring, and who however, marked whole talented generation: **Mister Tico Martini**.

Classic Days decided, for their second edition, to pay homage to this engineer of genius who saw crossing every biggest French champions between the hands.

So, a big number of faces which taken the way of its school, the pilots who shone in the steering wheel of its cars, his friends and all owners of Martini (MW or MK), are invited for this special week-end. Among them, we can already announced Alain PROST, Jacques LAFFITE, Michel FERTE, Franck MONTAGNY, Jean RAGNOTTI, Jean-Louis SCHLESSER, Patrick TAMBAY etc...and many others.

For these 2 days of holiday, finds, conferences, sessions of dedications and demonstrations is inserted into the program of Classic Days.

A big week-end in prospect on May 1st and 2nd, 2009 in Magny-Cours!
